HORIZON 160T COREtour WhiteOut

FEATURES

CORE WHITEOUT

- COREtour seat system with leg-lifter control
- CORE WhiteOut outfitting with marine vinyl pads
- Rear adjustable backbands
- Flip-over carry hip-pads included
- Low-profile padded thigh braces
- Bow & stern storage hatches - with bulkheads
- Moulded through carry handles
- Reflective deck safety line & bungee deck rigging
- Tracking channels in hull
- Adjustable pedal footrests - rear set controls rudder
- Touring rudder system included

A versatile twin-cockpit tandem kayak perfect for either short trips or multi-day expeditions. The long waterline provides excellent directional stability yet the Horizon is still nimble enough for inland adventures. A high volume bow gives a dry ride even in choppy waters, as it climbs over waves and deflects spray from the cockpit areas.

Whether you're paddling along urban rivers or navigating wild, icy landscapes, this twin-cockpit tandem kayak is built to handle it all.

*Also available with **BlackOut Outfitting** - option removes the leg-lifter control system and hip-pads, but may be preferred for a fleet environment.*
