## SCOOTER GEMINI

**WHITEOUT**

The exceptional stability and user friendly handling means you need look no further for a versatile kayak to suit thrill seekers and families at the beach, lake or river. Paddlers of all abilities will benefit from the smooth and predictable ride with true directional stability without compromising on manoeuvrability, thanks to the combination of our tracking hull, upswept bow and perfectly balanced volume distribution. Paddle with two, or make it a family outing for a small child or the family pet on the Scooter Gemini - our tandem version of the Scooter.
